

## A History of Recovery in Philly

Livengrin offers lasting and meaningful addiction treatment and recovery at our Philadelphia drug rehab center.

Dedicated to helping people achieve lasting and meaningful recovery over substance abuse, Livengrin provides addiction treatment to patients, families, communities, employers, and insurers. Our goal is to offer a personalized, effective and affordable 360° addiction recovery solution at our drug rehab centers.

Since 1966, we have carefully and confidentially assisted countless individuals in Philadelphia struggling with drug and alcohol addiction recovery. In doing so, we have also given them the hope and promise of a new tomorrow.
