

MISSION STATEMENT

NEW FOUNDATIONS—"A NEW BEGINNING FOR CHILDREN AND FAMILIES"

GENERAL FOSTER CARE AND INTERSTATE COMPACT SERVICES (ICPC)

NFI's General Foster and Kinship Care programs provide placement and case management services for children while ensuring that their safety, permanency and well-being goals are met while in out-of-home placement. NFI services children and families referred from Philadelphia and Delaware counties from infancy through 21 years of age.

RESOURCE HOME CARE SERVICES

New Foundations, Inc. is also a subcontracting partner for Resource Home Care Services with Community Umbrella Agencies (CUA) in Philadelphia. NFI works closely with the CUA's to find appropriate resource homes for children in need of placement and monitor their compliance with state, county, and agency regulations. NFI Resource Home Workers visit the resource homes monthly to complete home safety checks and provide ongoing support and training to resource families and to CUA Case Management staff.

TREATMENT FOSTER CARE SERVICES

NFI's Treatment Foster Care (TFC) program provides comprehensive placement and case management services for children ages 0-21 affiliated with Delaware County Children and Youth Services.

ADOPTION/SWAN SERVICES

New Foundations, Inc. is committed to finding adoptive homes for children. Resource families have the opportunity to adopt children who are placed in their home. . Resource families interested in adoption must undergo a comprehensive home study, interview process and background checks that will help our adoption coordinators determine whether the family is an appropriate adoptive resource.

RESOURCE HOME RECRUITMENT SERVICES

New Foundations prides itself in the recruiting, training, and certification of compassionate, highly qualified resource families to provide support and supervision to the children placed in their homes. We are looking for families who are committed and are willing to learn how to meet the challenges of resource parenting.
